

Got a job for you on  
Ledgewood Drive. The  
Boss set us up with an  
easy ransom job but  
things went south  
quick.

We kept the dame in  
the basement but she  
outslicked JV and got  
upstairs.

We was playing cards  
when she burst in  
looking for something  
and Martin went  
barmy right there in  
the room!

We ain't goin' to the  
big house so clean as  
much as you can and  
scarper before the  
coppers show up.

Your services are requested on the waterfront. You will be generously compensated for your time.

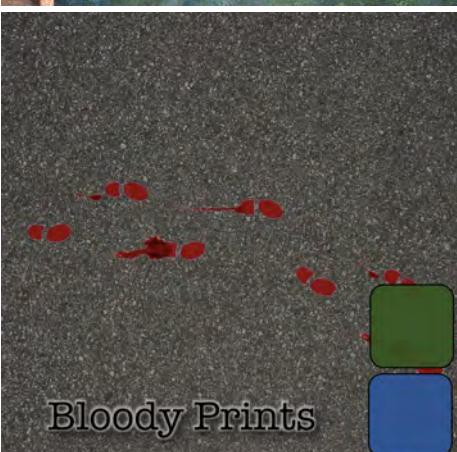

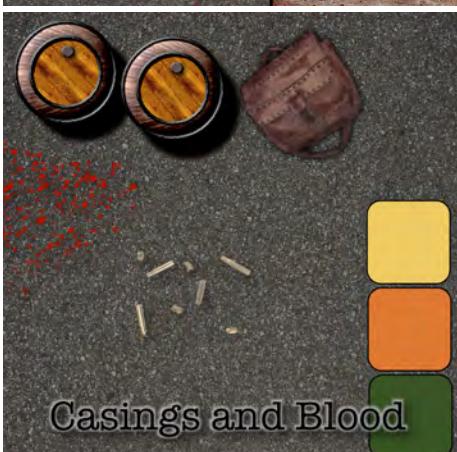

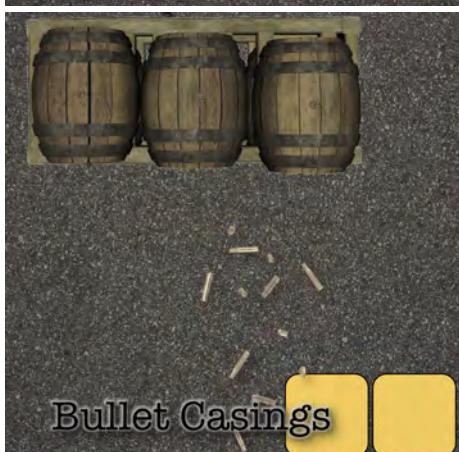

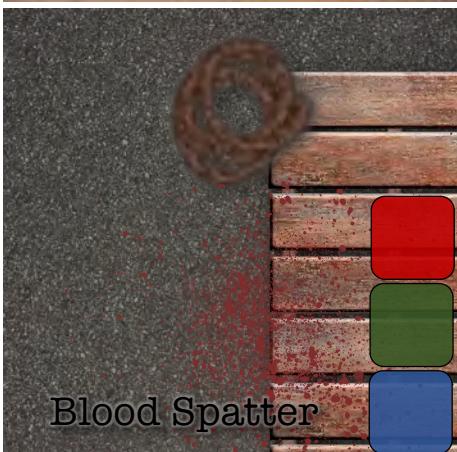

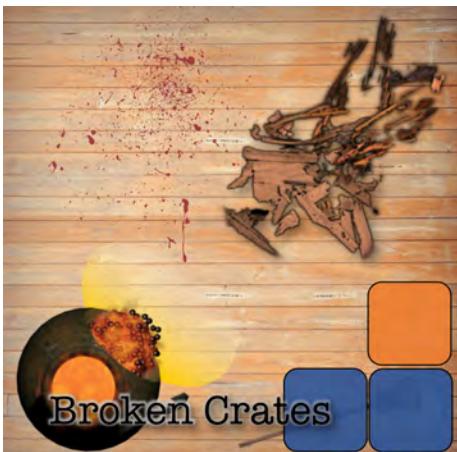

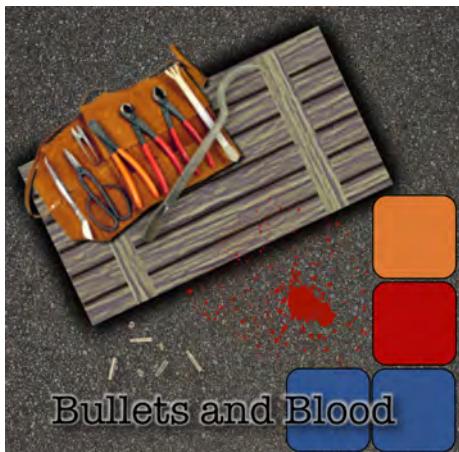

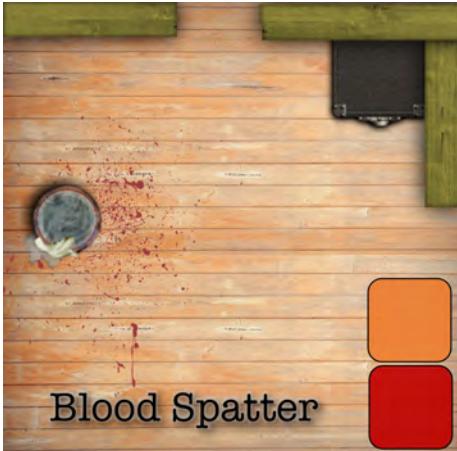

I hired a pair of... professionals for a job earlier this evening, you may have heard about it. Most regrettably, it was necessary to dispatch them.

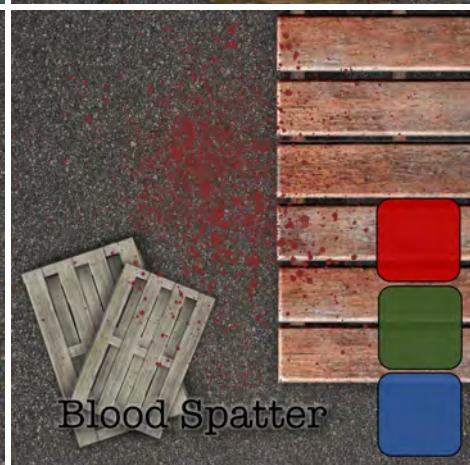

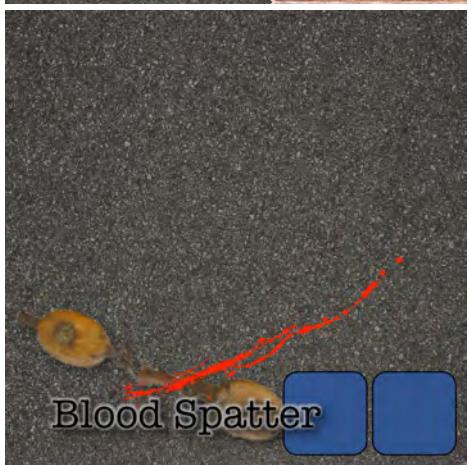

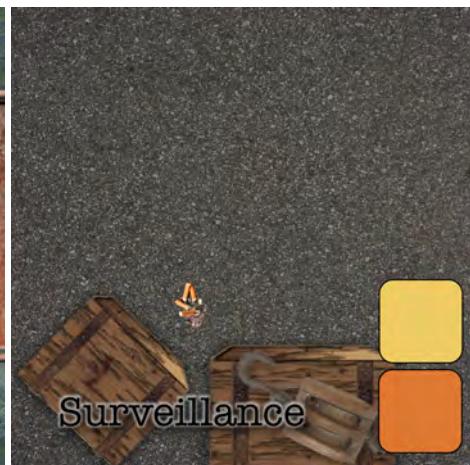

Had I contracted a proper button man, I don't suppose I would be this far behind the 8 ball. I managed to avoid the bulls, and you'll want to be quick about it as well.
